State Level e-Bulletin

To fulfill the objectives of Water (Prevention and Control of Pollution) Act, 1974 MP Pollution Control Board has started monitoring of the different water bodies of State in collaboration with Central Pollution Control Board under the following schemes and present network of monitoring system covers **188 locations**.

The M.P. Pollution Control Board has started the **Water Quality Index (WQI)** by using the under mentioned calculator which have been provided by Central Pollution Control Board, Bhopal

G Monitoring of Indian National Aquatic Resources System (MINARS) Global Environmental Monitoring System (GEMS)

State Level e-Bulletin

To fulfill the objectives of Water (Prevention and Control of Pollution) Act, 1974 MP Pollution Control Board has started monitoring of the different water bodies of State in collaboration with Central Pollution Control Board under the following schemes and present network of monitoring system covers **188 locations**.

The M.P. Pollution Control Board has started the **Water Quality Index (WQI)** by using the under mentioned calculator which have been provided by Central Pollution Control Board, Bhopal

Monitoring of Indian National Aquatic Resources System (MINARS)
Global Environmental Monitoring System (GEMS)

State Level e-Bulletin

To fulfill the objectives of Water (Prevention and Control of Pollution) Act, 1974 MP Pollution Control Board has started monitoring of the different water bodies of State in collaboration with Central Pollution Control Board under the following schemes and present network of monitoring system covers **188 locations**.

The M.P. Pollution Control Board has started the **Water Quality Index (WQI)** by using the under mentioned calculator which have been provided by Central Pollution Control Board, Bhopal

Monitoring of Indian National Aquatic Resources System (MINARS) Global Environmental Monitoring System (GEMS)
